

NEW

Professional Communicator Credential

Show employers that you're a competent professional communicator with verified badges that go on your LinkedIn profile.

Take these courses, earn a verified badge for each -- to show off your progress.

CMST 101

CMST 262

CMST 280

CMST 383

Because CMST 101 is a required university course, the credential is only 3 additional courses.

Pass a competency exam to get this badge that employers can verify.*

Why?

Get noticed by employers with our new Professional Communicator Credential. After completing the credentialing curriculum you will earn a verified digital badge that certifies you have the knowledge, skills, and abilities to communicate effectively in any professional context.

Digital badges can be added to digital portfolios and shared on LinkedIn, distinguishing you from other job applicants in a competitive job market.

You're in a course that's part of the sequence, so you're already on the path to success.

For more information contact Dr. Craig Engstrom: craig.engstrom@siu.edu

*Requires 1 credit hour of CMST 390
